MADE IN ITALY

Sicurezza e durata
Le scocche sono garantite dal marchio Idropan, uno speciale melaminico idrorepellente, resistente all'acqua e all'umidità, che contraddistingue l'anima nascosta dei mobili di qualità. L'azienda inoltre ha aderito al consorzio del pannello ecologico e utilizza cioè solamente pannelli realizzati con materiale riciclato al 100%. Tutti gli elementi sono studiati per vivere il bagno in tutta sicurezza ogni giorno: cerniere brevettate, agganci e finiture testate contro l'azione dell'umidità, ruote adatte per i contenitori, guide sotto-cassetto a scomparsa, accessori elettrici certificati.

Safety and lifespan
Our furniture structures are guaranteed by the Idropan brand, a special melamine-coated panel, which resists to water and dampness and characterizes furniture of quality. Moreover the company makes part of the consortium of the ecological panel, using only 100% recycled panels. All the elements are meant to facilitate the daily use of the bathroom in safety: patented hinges, hooks and finishes tested to resist to dampness, resistant wheels for cabinets, no visble slide runners under the drawers and certified electrical fittings.

Sicherheit und Dauer
Die Struktur wird von dem Markenzeichen Idropan garantiert, ein wasserabweisendes und Feuchtigkeit widerstehendes Spezialmelamin, das Qualitätsmöbel kennzeichnet.
Das Unternehmen hat sich außerdem dem Konsortium des ökologischen Paneels angeschlossen und verwendet daher nur Paneele, die aus 100% aus Recyclingmaterial hergestellt wurden. Alle Elemente sind darauf ausgerichtet, das Bad in kompletter Sicherheit jeden Tag zu benutzen: patentierte Scharniere, Wandbefestigungen und Ausführungen,die auf die Einwirkung von Feuchtigkeit getestet sind, haltbare Räder für Rollwägen, versteckte Laufschienen unter den Schubladen, bescheinigte elektrische Zubehöre.

Sécurité et durée
Les caissons sont garantis par la marque Idropan, un panneau mélaminé hydrofuge spécial, résistant à l'eau et à l'humidité, qui caracterise les meubles de qualité. La société a aussi adhéré au consortium du panneau écologique et utilise seulement des panneaux fabriqués avec du matériel recyclé au 100%. Tous les éléments sont étudiés pour vivre la salle de bain en toute sûreté tous les jours. Charnières brevetées, accroches et finitions testées contre l'humidité, roues pour chariots resistants, glissières pas visibles pour les tiroirs, accessoires électriques certifiées.

Seguridad y duración
Los costados son garantizados por medio de la marca Idropan, un especial melaminado idrorepelente resistente al agua y a la humedad que va a marcar la alma escondida de todos los mueble de calidad. La empresa además está asociada al consorcio tablero ecológico y utiliza solo tableros efectuados con materiales reciclados por el 100%. Artesi estudio todos los elementos para vivir el ambiente baño cada dia con toda seguridad: bisagras patentadas, enganches y acabados frentes que contrastan la acción de la humedad, ruedas de los contenedores, guías bajos cajones ocultas, componentes elétricos certificados.
